Dear Sir:

RE: GHR Foundry Site  
Dayton, Montgomery County, Ohio

Notice of Intent to Approve the Removal Action  
Work Plan for the GHR Site Dated April 24, 1997

U.S. EPA Administrative Order on Consent No. V-W-97-C-388

The United States Environmental Protection Agency (U.S. EPA) has completed a technical review of the revised Removal Action Work Plan (Plan) submitted on April 24, 1997 by your contractor, Roy F. Weston, Inc. (Weston) of Cincinnati, Ohio for the GHR Foundry Site (Site) in response to the above-referenced Administrative Order on Consent (AOC) issued February 25, 1997.

This letter contains the U.S. EPA's intent to approve that Work Plan for this Site as submitted with the specified revisions. The U.S. EPA accepts this document in its final form as the approved Work Plan for the removal action to be commenced at the GHR Foundry Site.

The U.S. EPA's approval of the Plan is herewith given with the following conditions.

- 1) Note that U.S. EPA expects contractor mobilization and commencement of Work Plan implementation within thirty (30) days of this approval. You must notify this Agency in writing of the specific date that such planned implementation will occur.

- 2) This work plan becomes part of the AOC and is fully enforceable under that Order's requirements.
- 3) The U.S. EPA may modify or request additional inputs to the Plan if new information concerning this Site emerges or additional scientific knowledge requires alteration of any proposed action for this Site.
- 4) Include the Administrative Order on Consent for the GHR Foundry Site as an appendix to this Plan.

Please ensure that the City of Dayton (Mr. Hall) and the Ohio Environmental Protection Agency officials (Messrs. Buchan and Jancuk) at the Columbus, Ohio office receive copies of this final approved Plan. Provide this office with documentation that this requirement has been timely fulfilled.

Contact me at telephone number 312/353-7615 if you have any questions prior to the onset of implementation of your removal action work in accordance with this Plan.

Sincerely,

Paul R. Steadman,  
On-Scene Coordinator
